

October 21, 2014
7:05 ó 7:35

Doug Alwine
Steve Flanders
Amie Lees
Tami Andrews
Mallorie Blevins

Guests:
Heleen Kurk

- Heleen spoke to us about several things

* People love bulletin board, however some slides could be longer

* Slide saying PROGRAMS: nothing there, but there are some times that messages do come up.

* Bill Wynne (Goffstown Today) wrote to Heleen about film productions to be given to Weare CATV 6 to no response. Heleen said she would bring it to our attention.

- Took vote to repair HP computer ó new hard drive. Could be good for video editing and other things for cable committee. Will cost less than \$100. Doug to speak to Naomi. All 5 present members were in favor.

- Finding open times when meetings can be re-broadcast. Doug to forward schedule to all members. Possible times are 3-4 pm, and the Sundays before meetings.

- Vimio (YouTube without commercials) Goffstown uses this. 3 levels: free (very limited); another one; highest level \$200/ year w/ all videos able to upload. Good for people that do not have Comcast. This is internet based.

- Doug got cooking shows from Goffstown! To be played Wednesdays at 4:00 pm. ãadvertisingö to be put on FB page and bulletin board.

- Broadcast school games, other things in town that are coming up (Nana's Snack Shack tailgate party Halloween night 6-8 p.m)
