

Cable meeting 5/19/15 7:00- 7:25

Amie Lees  
Tami Aikens  
Steve Flanders  
Doug Alwine

- Kevin (IT at Weare Middle School) gave cable committee storage unit that was given to the school.
- Comcast talked about moving cable committee to Middle School. (Camera would stay here in selectmen room.) This could help a lot because there is someone there that could work on equipment, and the equipment would serve two channels- 6 and 17.
- Ask Comcast to replace coaxial cable to fiber from Weare center to Deering line. 3% tax from Comcast, or \$30,000 to renew contract. They have not asked for this money because we are asking for fiber to be installed.
- Cable committee to shut off outdoor show and cooking show for summer vacation.
