

Cable Meeting 5/20/2014

7:05 pm started and adjourned at 7:30pm

Present:

Tami Andrews

Doug Alwine

Steve Flanders

April Burnham

Not Present:

Mallorie Blevins

- Software for Cable was installed by Greg Hall from Broad Link Technology.
- Doug has done a lot of work to get things running and an explanation of the new server was explained by him.
- We discussed the meeting we had in Goffstown and all the things we have planned down the road.
- We will be recording Selectmen's meetings in the future and new programs will be coming in the near future.
