1. Janet made a motion: To accept the minutes of the October 11, 2016 meeting. 2nd by William Tiffany, the Vote showed all in favor.
2. We had a discussion about the great job that Dave Holmz and his crew did on replacing the old railings at the %East Weare+ cemetery. They were able to do the entire length along Buzzell Hill Road. The wrought iron gate at the entrance to the %Berry Eaton+ Mausoleum will be cleaned up and repainted and attached to the two new granite posts that were installed by Burt Brown, Bob Brown and Bill Tiffany.
3. While we had Bob at the cemetery, we had him dig ten test holes 7q8qdeep in the North end of the %East Weare+ cemetery to see if there were any underground obstructions. There were none, so now we can sell more lots in that area!
4. Our Stone Mason, Mark James has rebuilt roughly half of the wall at %Bine Grove+ Cemetery along Buzzell Hill Road. He will warrant his work for 3 years against the roots and frost shifting the wall around.
5. Janet will call Ed Ferguson about taking trees down at the %Luther Locke+ cemetery and %East Weare+ cemetery.

Meeting adjourned at 5:45 pm.

**Respectfully submitted,
