

Weare Sound Ordinance Committee

August 17, 2016

Weare Town Offices

Members in attendance: Chair, Lori Davis, Gregg McDowell, Jon Van, Selectman's Rep Keith Lacasse Special Guest Chief Sean Kelly

Meeting was called to order at 7:03pm. The Pledge of Allegiance was said.

Chief Kelly brought us up to date on the number of sound disturbance calls (at total of 18 to date from Jan. 1, 2016. These include: 2 complaints about chainsaws, 1 regarding construction on Sunday at the High School, 1 PA system, and 3 gun shots. The rest were just "noise" with no signed complaints.

A handout was provided by Keith to illustration other towns (Pittsfield) are looking at this.

In our previous meeting, the committee agreed to take a full year to study this issue. Lacasse pushed to have the members attending come back to the next meeting, August 31, with what they want in a sound ordinance to put forward this year. The majority of the committee feel there is an RSA that covers the problem. Discussion will continue.

Next meeting is August 31, 2016 at the Town offices at 7pm.

Respectfully submitted

Lori Davis, chair
