WEARE PLANNING BOARD

Minutes of the Meeting of September 29, 2016

The meeting was a site walk at Gary Remillard's property at 8 Riverdale Road. It was called to order at 5:00 p.m. by Mr. Francisco.

The Board reviewed plans and examined the site. Previously, the site had been the subject of removal of gravel and its overlay. Run-off, aquifer protection and potential pollution from use of the building were discussed.

The location of the proposed 50x100 building was discussed. Existing vehicles stored there will be removed from the site, and the berm and its trees and vegetation to the south of the proposed building will not be disturbed. No change in signage is planned.

The meeting was adjourned at 5:32 p.m.

Respectfully submitted,
Neal M. Kurk, Secretary
