

Planning Board Sign Subcommittee

Attending: Craig Francisco, John VanLoendersloot, Brian Ivinjack, Marc Phillips, Jack Dearborn

Meeting started at 1830 4/21/2015

Minutes of 4/7/2015 approved with no changes

Discussed what the purpose of the change was intended to be, to identify a business or to gain drive-by business

Discussed allowing internally lit signs, consensus to allow internally lit signs and stationary signs only in commercial and industrial zones

Discussed sign dimensions in Village district, 48 Sq Ft max for multiple businesses on one lot

Discussed Article 34.9.2, consensus to remove 34.9.2.

Discussed "directional signs". Proposed article 34.12 to read:

***DIRECTIONAL / OFF SITE SIGNS: A business may have an off-site sign for directional purposes only, with approval of the Planning Board. The application to the Code Enforcement Officer must be signed by the landowner. The sign cannot be lit with a maximum height is 8 feet, only 1 sign per business, otherwise by Special Exception.***

Corrected Typographical errors in 34.10.5.3 (GCHOD) and 34.7 (Physically)

Chair suggested one more meeting to finalize article 34, scheduled for 1800 on May 5<sup>th</sup> 2015

Meeting closed at 2030.

Respectfully submitted by John VanLoendersloot
