### **TRAILS SUBCOMMITTEE – APRIL 7 , 2015 DRAFT MEETING MINUTES**

Present: Dave Ward, Heather Payeur, Chrissie Sargent, Chris Nase

Guests: Eamon Scott, Pat Scott

Mr. Ward called the meeting to order at 6:32 pm

#### **I. Senior Project**

Chris Nase joined the meeting. Her daughter is looking to do her senior project on the trails behind John Stark High School that are part of the Eastman property. She is looking to put together a pamphlet for her project mapping out the trails and then mark the actual trail out by putting markings on the trees. This is the trail that starts at the high school and goes up to an area where there is a view.

#### **II. Web site**

Discussed the website for the trails sub-committee. We believe the domain was purchased, weare-trails.org, but we don't think anything was ever done to create the site. Mr. Ward is going to look into how we can get access to this. Ms. Sargent volunteered to create the web site.

#### **III. Eagle Project**

Eamon Scott is interested in working on Eastman for his Eagle Project. He inquired on what work needs to be done in that area. Mr. Ward reviewed possible items which included building a kiosk (similar to the one at Woods Family Forest) preferably at the bottom off of 77. Also the option of the top of Pine Hill. Other tasks for project could include trail clean up/expansion and signage/tags on trees.

#### **IV. Additional items**

Mr. Ward noted the successful grooming of the Eastman trails this past winter. He also mentioned we did not receive the grant that was requested. Will try for it again next year. In addition, Mr. Ward mentioned the success of the two work parties that cleaned up the trails this past season and the goal of putting up signs, possibly on 77 to direct people to the trails.

#### **V. Adjournment**

Mr. Ward made a motion to adjourn the meeting at 7:17pm. The meeting was adjourned.
