Short discussion about property on East boundaries in the field area at the gate.

Both boards walked back to pit. Inspected gravel area.

Discussion about CIP intention with PARC regarding fields needed and usage needed and how much money might be needed for what services.

Selectman Cahill: best to focus intent to the front side, much easier access. Also, figure out the haying situation.

Selectman Blume: Consolidating fields at one location would be good for PARC.

Walked back out to field and left East at 9:18.

Resume meeting at Ineson 9:25. Matt Grolljahn joined at Quaker Street.

The boards walked behind the canteen shack and inspected the land. Both boards deemed Quaker Street is not suitable for further expansion at this time.

Tom Clow advised that town might need to research the deeds due to the contributors to the land purchase and terms of use at East Rd.

Selectman Cahill moved, Selectman Blume seconded to adjourn at 09:35 AM
