## Weare Cable Committee Agenda

**Tuesday, April 11, 2023**

**7 PM**

**Town Office – Second Floor - Cable Room**

### AGENDA

- Discuss the future of the cable committee. We are down to three active members who may want to retire soon and we need to find some younger folks to pick up the ball and run with it.
- The world of media has changed considerably in recent years, with more and more folks getting their information from the internet and more and more people getting rid of cable TV. To this end, we have started live-streaming meetings on YouTube.
- We need to discuss how to redirect our focus to reach as many citizens of Weare as possible, and how to get some younger citizens interested in volunteering.
- We would welcome any community members with suggestions to come to the meeting.
