

**Cable meeting 4/18/13** 7:00pm- 7:40pm

*Steve Flanders*

*Brad Macaulay*

*Ray Eaton*

*Doug Alwine*

*Mallorie Blevins*

*Tami Andrews*

Programs played: Fish and Game disks- **'Granite State Outdoors'** 2 per week- repeating on alternate days. 5 DVD players- two might work. Bigger pieces might be able to be replaced with one monitor. Has not yet tried auto programming. Bulletin board software completely works. Difficult to use- looks like old DOS program.

Mallorie, Tami to learn programming; Brad currently learning.

Need new camera- Doug has been looking for cameras online to replace old videotape- recording camera. Looking to buy camera with memory card. Possibly look into buying a "consumer camera"- home use camera. Panasonic, Sony, Cannon most common. Camera approved by selectmen now obsolete.

Requests for video submissions on channel bulletin board- cooking shows, gardening shows, etc.- just not to advertise or make money for town/businesses. Clinton Grove

Computer to auto-play programs, like computer that runs bulletin board.

Open source "Caspar CG"- free! Might include message board in program.

Possibly going to Goffstown to check out their equipment and how it works.

Mallorie now vice-chair!!

Possible day change for meetings? 1<sup>st</sup> and 3<sup>rd</sup> Weds; 4<sup>th</sup> Tuesdays look open. Keeping meetings at 7pm. Steve to go speak with Merry and Naomi tomorrow (Friday 4/19) about schedule change.
