- Article 30 is now supported by finance committee
- Fliers and letters will be sent to papers before voting to gain article 30 support. Debbie will make posters next week that ask for a "yes" vote. Heleen had some thought for letters naming a catch phrase, stating that we want 1/3 of the fee used for committee, and that channel 6 was introduced in 1991.
- Placing volunteers at the polls on voting day
- Discussed contracts and by-laws
- Voiced some ideas for what to put on channel 6
- Discussed ideas of people to help with the channel- community service, media class at JSR, internships.
