ITEM 4:

We discussed the repair (rotting boards) and painting of the fence at the Eaton Cemetery #39 on Rte 77.

ITEM 5:

Oil Mill Cemetery, #5: Andy Spielberger told Janet Brown, he could start the stonework on May 21st. Janet told him that was too soon because we needed to make sure the trench was excavated and the 2'x2'x8' concrete blocks were set in the trench first. Janet is going to check with Central Concrete this week. The expenditures for this project were approved by the Selectmen at their April 16, 2012 meeting.

ITEM 6: Loam that is to be delivered to the Pine Grove Cemetery #32, on Buzzell Hill Road will be spread, raked and seeded by the contractor doing the mowing and raking in the cemeteries.

ITEM 7: The present contractor that's cleaning the cemeteries wanted us to know that many of the cemeteries were not cleaned up last fall by the former contractor. It is taking him extra time to do the cleanup this Spring.

Motion made by Janet Brown and seconded by Bill Tiffany to adjourn. The vote showed all in favor.

Meeting adjourned.

Respectfully submitted,
William F. Tiffany
