The meeting came to order @5:00pm

The minutes of the October meeting were read and accepted by all.

The request of Stephen & Heidi Pope for two casket burial lots in the Tristian Johnson Cemeetery located between Mr. & Mrs. Pope land and Gerald Dumis land Lot 207 & Lot 206 on the assessment map 1996, this cemetery is also written about in Weare Town History of Weare 1840, page 525.

We checked with Terry Knowles at Attorney General's Office in Concord, NH. She said the 1840 Tristian Johnson Cemetery has not been abandoned so no one can be buried there without permission from ancestors of loved ones buried there. She will gladly talk with the Pope's family. Janet will send letter to them.

Janet & Donald Burke will attend Pre Bidders meeting on Saturday, November 12 at the Town Office.

Donald Burke is preparing a map of Town of Weare showing location of every cemetery. Thanks Don.

We will call Donald Rogers to see if we can meet him at East Weare Johnson Cemetery before winter to show us area of stump buried.

Meeting adjourned at 6:05 pm.

Respectfully submitted,
Janet Brown, Secretary
