(Approved as amended 11-1-11)**

**PRESENT:** Jon Dowst; Paul Marsh; Lee Marcroft, Exofficio; Frank Bolton; Jack Dearborn; Stu Richmond; Chip Meany, Land Use Coordinator; Naomi Bolton, Town Administrator

**GUESTS:** None

**I. CALL TO ORDER:**

Chairman Jon Dowst called this meeting to order at 8:30 AM in the conference room of the Weare Town Office Building.

**II. MEETINGS:**

**PARKS & RECREATION:**

No one was available for this discussion. Naomi went over the two requests received. First they are requesting \$15,000 for a roof and well at Chase Park. The second request is for \$30,000 for reseeding and replacement of playground equipment. There appears to be enough in the Capital Reserve Fund for the roof and well already, so all they would have to do is to go to the Selectmen to proceed. With regard to the reseeding and replacement of playground equipment the subcommittee is looking for more information. Do they have prices for the equipment? What fields are they looking to reseed? Is it just reseeding or does it need to have more topsoil and reseed? Naomi will try to gather more information for Tuesday.

The Board then started to put all the 2012 CIP requests on the easel to see what we have. The following the information:
