RE: Town of Weare – Committee to Study Firing Range Improvements

Attendees:

Lori Davis – bitsyworm@yahoo.com

Gregg McDowell – gregg.mcdowell87@gmail.com

Walt Farnum

Keith R. Lacasse – keithlacasse@mygsc.com

On Tuesday, November 22, 2016 at 7:00 p.m. the attendees above met at the Weare Town Office to discuss improvements to the recently closed Town Firing Range. The following is a brief summary of the items discussed.

The group discussed a conversation that Keith Lacasse had with Ed Loupie about the recent upgrades to the Goffstown Fish & Game club firing range. Walt was heading over to the Fish & Game club meeting following this meeting and agreed to speak with Ed about the assistance we're looking for as well as informing him of the date of the next meeting.

Next Step: Walt will meet with and update Ed

Due: November 22, 2016

The group again discussed some potential details for the construction of the barricades, and there was some concerns with using discarded tires raised.

Other issues discussed were the periodic removal of lead from the back-stops.

The group agreed that these and other similar details will be discussed at our next meeting when we can get real data of how these are handled by the Goffstown Fish & Game club.

Lori Davis suggested the NRA may have some insight and/or resources on details of a good safe firing range. Walt indicated he may have a contact at the NRA.

Next Step: Walt will reach out to the NRA for assistance

Due: December 16, 2016

The meeting adjourned shortly before 8:00 p.m.

Next Meeting: Friday, December 16, 2016 at 7:00 p.m. at Town Office
