**Benjamin Knapp  
Public Works Director**

## **MAILBOX LOCATION DIAGRAM**

The Town of Weare has specific information regarding placement of mailboxes located within the Town Right of Way. As outlined on the Application for Driveway Permit, Driveway Permit Specification Number 6 states that: "Mailbox locations must be placed with the face of the mailbox no closer than 4' from the edge of the traveled way." The traveled way is meant to be the edge of the roadway pavement.
