SEX OFFENDER REGISTRATION INFORMATION WEARE POLICE DEPARTMENT

As required by state statute (NH RSA 651-B), the Weare Police Department maintains sex offender registration files for all convicted sexual offenders living in Weare or out-of-state offenders working in Weare. The NH State Police maintain a list of sexual offenders on their website, which is listed below. This list does **not** include all sexual offenders; it only includes offenders who were convicted of offenses against children.

On the New Hampshire Registration of Criminal Offenders Search website, persons accessing the database are cautioned that the registry contains identifying information about the offense for which the sex offender/offender against children is registered. **IT DOES NOT REFLECT THE ENTIRE CRIMINAL HISTORY OF THE LISTED SEX OFFENDER/OFFENDER AGAINST CHILDREN. IT DOES NOT CURRENTLY INCLUDE ANY OUT OF STATE CRIMINAL HISTORY. LAW ENFORCEMENT IS ADVISED TO NOT ARREST BASED ON INFORMATION ON THE OUTSTANDING WARRANT LIST. PLEASE CHECK STATE WARRANT FILE AND WITH LOCAL LAW ENFORCEMENT AGENCY HOLDING THE OUTSTANDING WARRANT.** To get a complete listing of offenders against children in Weare enter 03281 in the "Zip" code field and click on the "Submit" button. From the results you can click on the individual offenders name to view more information. You can also search by name or by street.

The Weare Police Department investigates all potential violations of sexual offender registration requirements and accepts all tips and information, anonymous or otherwise. Please call if you have any questions or information to report because, as always, your cooperation and assistance is greatly appreciated.
