It is with great pleasure Chief Begin and I, acknowledge your outstanding work in the investigation of a recent rash of home burglaries, both here in Weare and in Goffstown.

The coordinated efforts by each of you, as well as the investigative follow-up, led to the arrest of three suspects within two days of the crimes being committed.

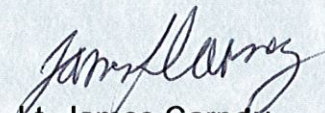

With over \$5,000 dollars worth of items stolen, including money, televisions, jewelry, computers and personal effects, these defendants intended on continuing their crime spree to support a drug habit.

The subsequent follow-up, by each of you, was processed and conducted expeditiously, leading to the quick apprehension of these individuals and prevention of more felony level crimes.

Copies of this correspondence have been placed in your personal files and forwarded to the Weare Board of Selectmen.

Great Work!!
