A resident of Burnt Hill Road was arrested for Sales of Marijuana in 2009. He continued to traffic the illegal drug even after his arrest. The police department was made aware of the continued illegal behavior. With their diligence and perseverance the investigation culminated in the arrest of many individuals the evening of February 11, 2010 for Possession and Sales of Controlled Drugs.

The family that owned the residence has left the Town of Weare and the house is For Sale.

The Weare Police Department prides itself on the community policing efforts and teamwork that are involved in an investigation and arrests of this magnitude.

The above members are all hereby awarded the Unit Citation for their dedication in keeping the town a safe place to reside and raise our children.
