## Unit Citation

### Detective Frank A. Hebert

On November 3, 2011, the on duty officer was alerted by a neighboring department to be on the lookout for a certain vehicle in connection to recent burglaries that had been plaguing the neighboring towns. After clearing a burglary call, the officer was traveling on River Road, he noted the vehicle in question in front of him driving at a slow rate of speed on River Road. He stopped the vehicle after noting an expired inspection sticker in the windshield. This motor vehicle stop resulted in the arrest of two suspects who had been going through the State of New Hampshire committing numerous break ins.

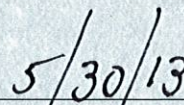

This investigation turned into a very lengthy multi-jurisdictional case. This case has yielded large amounts of evidence to be logged and identified multiple victims. This case has taken several months of work and cooperation with other departments and is still an ongoing effort to return the items to their rightful owners.

The Weare Police Department prides itself on the community policing efforts and teamwork that is involved in any investigation and subsequent arrests of the offenders. These dedicated efforts result in keeping the town a safe place to reside and raise our children.

The above member is hereby awarded the Unit Citation for his outstanding service, which resulted from teamwork as a unit rather than an individual effort.
