Unit Citation

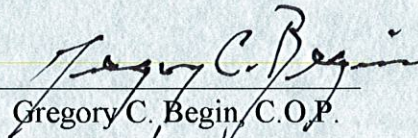

Detective Frank A. Hebert

A resident of River Road was arrested for Possession of Marijuana on a motor vehicle stop in April of 2011. Upon further investigation into this vehicle stop it was determined that a passenger in the vehicle was a dealer of crack cocaine and had a stash of a significant amount of cocaine at the driver's residence in Weare.

After several hours of conversation with the driver convincing the passenger who was allowed to leave the stop, after claiming he had no knowledge of the drugs in the vehicle to come back to Weare to retrieve his drugs, he and the driver of the car that brought him back to Weare were apprehended and placed under arrest. This motor vehicle stop led to the removal of drugs from the streets of our town and a drug dealer spending many years in jail.

The Weare Police Department prides itself on the community policing efforts and teamwork that is involved in any investigation and subsequent arrests of the offenders. These dedicated efforts result in keeping the town a safe place to reside and raise our children.

The above member is hereby awarded the Unit Citation for his outstanding service, which resulted from teamwork as a unit rather than an individual effort.
